Klasko Immigration Law Partners, LLP, Offers Webinar to Educate HR Professionals on Workplace Compliance Essentials

Klasko Immigration Law Partners, LLP, and its respected team of [employment-based immigration lawyers](#) are pleased to invite human resources and talent acquisition professionals to a educational webinar entitled “Compliance or Bust: How to Effectively Prepare for Increased Enforcement,” to learn how to ensure workplace compliance in the era of increased scrutiny and enforcement actions. The free webinar, led by Elise Fialkowski, Michele Madera, and Feige Grundman, will be held on Wednesday, June 12, 2019, from 12:30 p.m. until 1:30 p.m. EST.

The Buy American Hire American Executive Order (BAHA) issued by the Trump Administration in the April of 2017 has led USCIS to enact policy and operational changes in an effort to curb fraud and noncompliance with the laws governing employment-based immigration.

These changes have impacted all human resources professionals, not just those who hire foreign nationals. It more important than ever to have proper I-9 compliance, as well as policies and protocols in place for potential site visits and inspections. Government enforcement actions against businesses are now four times more frequent.

Klasko Immigration Law Partners, LLP employs some of the most experienced employment-based immigration lawyers, and with this webinar, the Compliance Team strives to prepare companies with efficient and effective compliance strategies and procedures. This guidance aims to help companies avoid steep fines and strict penalties in the event of a enforcement action.

Topics covered in the webinar will include:

- How to assess compliance programs and identify problems;
- Fines and penalties a company could face;
- How to handle a site visit or notice of inspection;
- Plus tips for using technology to navigate the entire process.

This program is valid for 1.0 PDCs for the SHRM-CP® or SHRM-SCP®. For more information about how to register for the webinar or about Klasko Immigration Law Partners, LLP and its [employment-based immigration services](#), [click here](#).
