Two Partners from Klasko Immigration to Speak at EB-5 Seminar Hosted by NES Financial in September

PHILADELPHIA -- Klasko Immigration Law Partners is pleased to announce two of its partners will be speaking about the EB-5 Visa Program at the Silicon Valley Capital Club in San Jose, California, on September 5, 2018. Ron Klasko and Anu Nair, are honored to participate and educate attendees on the requirements and process to obtain a green card through an EB-5 visa.

India nationals currently holding H-1B visas will find the event particularly insightful. Attendees will be immersed in all topics related to EB-5 program requirements, the process, a realistic timeline in which it takes to obtain a green card, and more. The invited speakers will also discuss the many advantages of the EB-5 program, avoiding program pitfalls, investment requirements, SEC issues, and how to evaluate EB-5 investments.

“With recent changes to H-1B adjudications, horror stories of H-1B extensions being denied, and H-1B and H-4 applicants being stuck overseas for months in administrative processing for their visa stamps; and wait times for India EB-2 and EB-3 exceeding 10 years and continuing getting longer, Indian nationals are turning towards EB-5 as the best, and at times the only viable, option to their immigration woes,” Anu says when addressing the recent interest in the program.

At the conclusion of the presentation, all in attendance will have the opportunity to meet with one of the leading immigration attorneys from Klasko Immigration Law Partners, LLP for a no-cost consultation. To secure a spot and register for the “H-1B to EB-5 Visa Seminar: Stay Permanently, Work Anywhere” event, please visit the registration site [here](#).
